FINANCIAL RESPONSIBILITY

Health insurance is designed to help meet the cost of medical services, but basic responsibility for payment is yours. Your insurance contract defines to what extent the services are covered. A mutually agreeable, realistic plan for payment will always be considered if you discuss it with us.

POLICIES AND PROCEDURES

You are responsible for all co-payments, deductibles, percentages, and any other portion your insurance does not pay. Co-payments, co-insurance, and deductibles are due at time of service. It is your responsibility to call your insurance company and find out your coverage.

If your policy or insurance company changes and you fail to inform us, any visits that may not be authorized or your new insurance company does not cover charges that are incurred, you will be responsible for those charges.

PATIENT PRIVACY NOTICE

We are required by law to maintain the privacy of your healthcare information, provide you with the attached notice of our legal duties and healthcare information privacy practices, and abide by the terms of this notice.

Missed Visit Policy

At Campus Commons Physical Therapy, our goal is to help all patients reach a fully recovered state. Your physical therapist will provide you with your plan for care during the evaluation appointment and will inform you of the required number of visits to help you achieve your goals. Patients who attend all of their physical therapy visits are 93% more likely to fully recover from an injury whereas those that miss even one visit have a lower potential for recovery. We are happy to share a copy of this study with you but want to make sure that you understand that it is extremely important that you attend all of appointments. This policy ensures that all patients have the opportunity to receive the care they need.

Please read our policy and sign at the bottom indicating you understand our expectations and our policy.

1. As experts, we know that **you will not reach full recovery if you do not attend your appointments**. To help ensure you have the best chance at recovery, we will work with you to schedule out all of your appointments after your evaluation today and in order to have the best chance at recovery, you will need to attend each visit.
2. Please note: Our goal is to begin your treatment sessions on schedule. For all appointments after your evaluation, we expect that you will arrive at least 5 minutes prior to your appointment time, dressed for your session, and ready to begin at on time. This will allow our front office to handle their responsibilities and our specialists to provide the care you need and deserve.
3. If you're late for your appointment, you're missing the time that we have specifically scheduled for your care and we cannot guarantee that we will be able to provide you with your full treatment as we have reserved the appointment time following yours for someone else.
4. If you're running late, we need you to call us immediately so we can prepare for your late arrival and consult with your clinician. If you are more than 15 minutes late, your session may need to be rescheduled and if that occurs, you will incur a missed visit charge. Chronically late patients will be asked to change their appointment times.
5. Our schedule is very full and certain time slots are not always available for patients who need them. If you need to cancel or change a scheduled appointment, for any reason, we require a day's notice **during business hours, so we have enough time to help someone else who needs an appointment time**.
6. When you call to cancel an appointment, have your schedule ready as we will reschedule you right away.
7. Same-day cancellations and appointment no-shows are not permitted as they keep other patients from getting the care they need.
8. There is a **\$50.00 fee if you do not provide at least a days' notice of your appointment change or cancellation. This is non-negotiable and it's your responsibility as insurance will not cover it.**
9. While we understand that illness can strike at any time, we still expect that you will work to provide at least a day's notice if you cannot attend a scheduled appointment.
10. **To avoid our missed visit fee, call our office during business hours - at least ONE DAY in advance for any illness, appointment changes or cancellations.**
11. Patients who have multiple same-day cancellations or no-shows, will be removed from the schedule. We will also notify your physician of your non-compliance.
12. If you're worker's comp, we are required to notify your claims adjuster if you cancel or no-show.

We look forward to working with you to meet your physical therapy goals.
